

# Landscape Retaining Wall

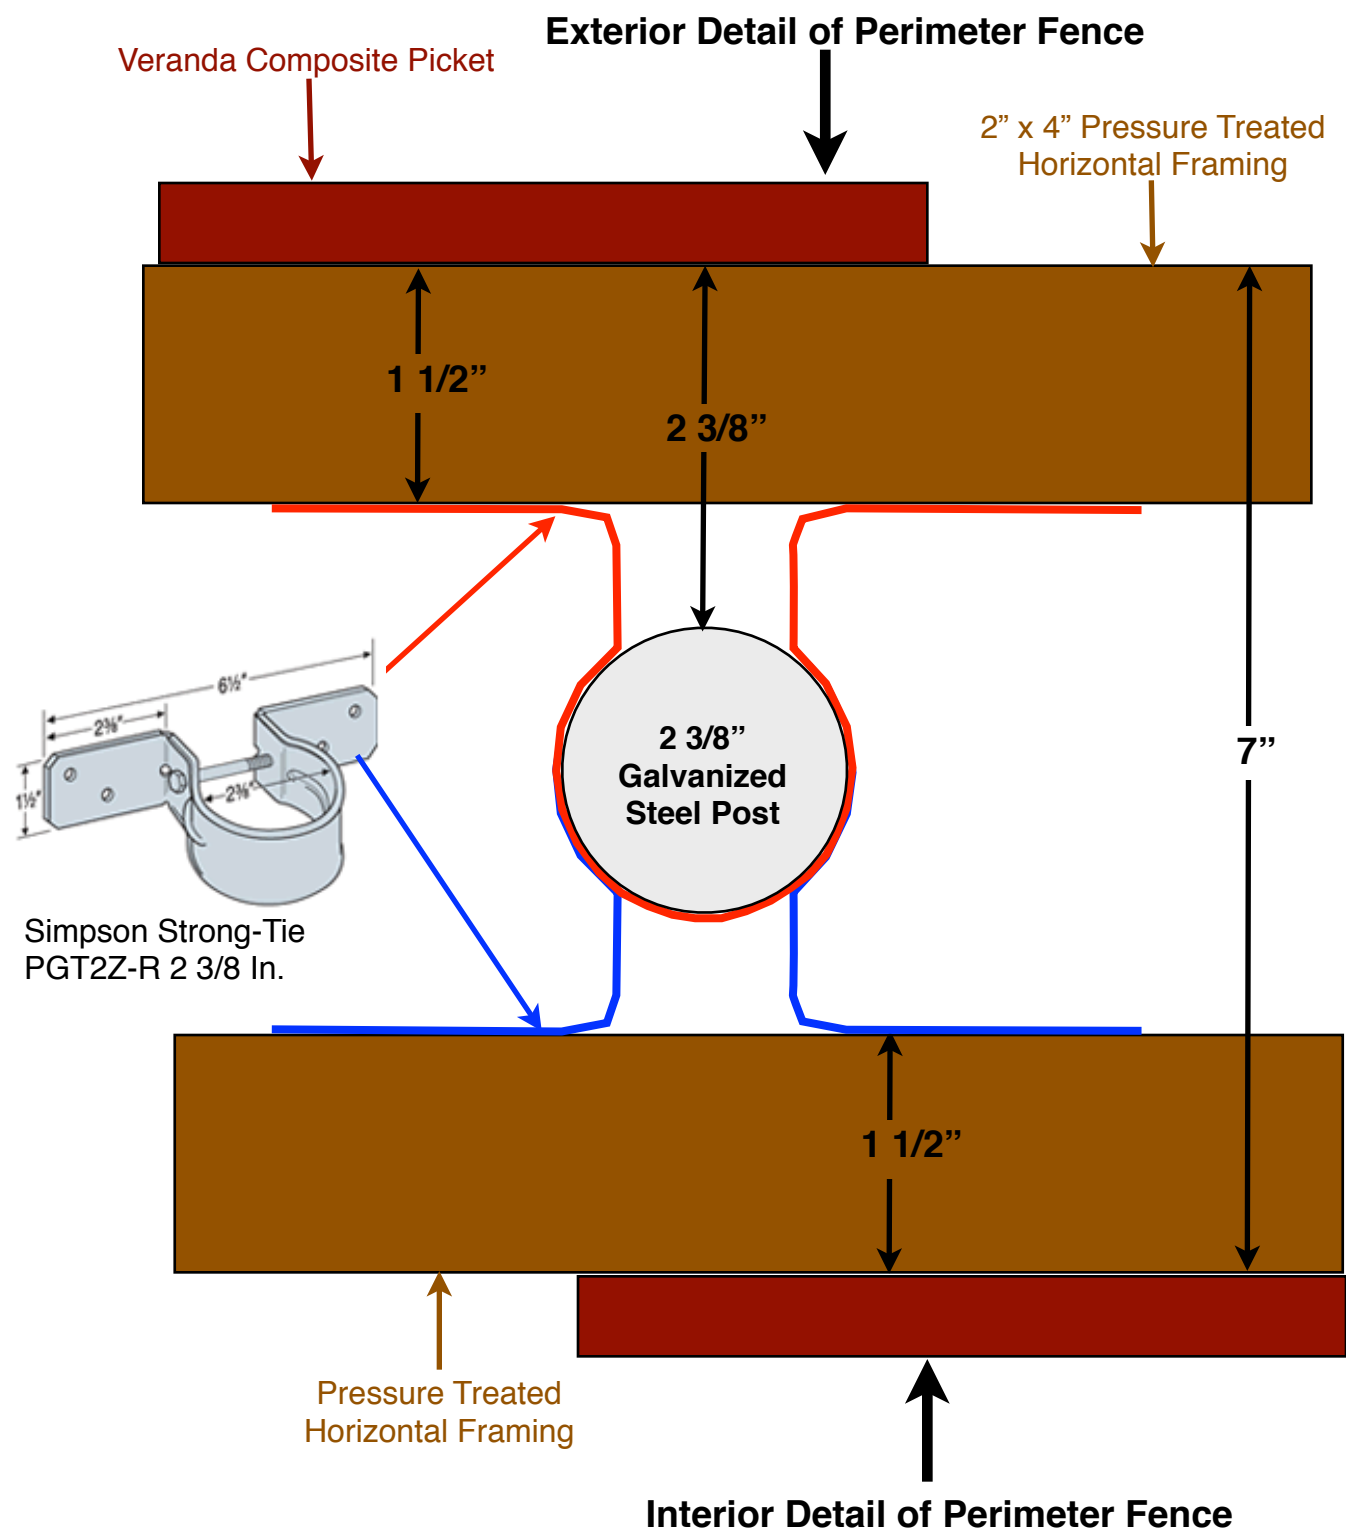

Homeowners who wish to create a landscape barrier between their lot and the Association owned perimeter fence may use a construction technique similar to the one displayed above. Landscape retaining wall blocks are available at many different locations including home improvement stores.

Oldcastle 6 In. x 16 In. Retaining Wall -Tan

# Approved Method for Adding Interior Pickets to Perimeter Fence

## Interior Pickets

**Example of compliance with the construction detail as shown on page two. Construction method uses Simpson Strong-Tie PGT2Z-R 2 3/8" Inch pipe gripe tie with attached pressure treated horizontal framing to which interior fence pickets are secured.**
